

**Tony C. L. Williams, B.Sc. (Hons), FCIA, FSA**

President PBI Actuarial Consultants/Chairman of Implemented Risk Management Canada Inc. Tony Williams has over 34 years of pension, investment and benefits industry experience. He has provided consulting advice to many prominent organizations in the private sector and public sector across Canada. He specializes in actuarial and investment consulting for retirement funds and other trust funds, including plan funding, investment policy development, risk modeling, implementation of investment manager structures and fund monitoring. Since February 2008 Tony has been President of PBI Actuarial Consultants. From 2003 until PBI was founded, he was Retirement Practice Leader, Western Canada with Watson Wyatt Worldwide.

From 1983 until 2003 he has held senior actuarial consulting and management positions with several major international human resource consulting firms in their Calgary and Toronto offices. Between 1977 and 1983, he worked in Winnipeg for a life insurance company and a regional pension consulting firm.

Tony holds a B.Sc. (Honours) in Actuarial Mathematics from the University of Manitoba, graduating in 1977. He is a Fellow of the Society of Actuaries and a Fellow of the Canadian Institute of Actuaries (CIA) and became a fully qualified actuary in 1985. He is Chairman of the Committee on Investment Practices of the CIA and a member of the CIA task force on multiemployer pension plans. He is a member of the International Foundation of Employee Benefits. Mr. Williams is a frequent speaker at industry seminars and conferences on pension and investment issues.

**John A. Stodola, CFA, CAIA**

Principal & Portfolio Manager Integra Capital Limited/VP Sales and Marketing Implemented Risk Management Canada Inc. John is responsible for business development in Ontario and Western Canada for Integra Capital Limited and also holds the dual role of VP Sales and Marketing for Implemented Risk Management Canada Inc. (IRM). IRM is a joint venture firm created by PBI Actuarial Consultants and Integra and was formed to bring the expertise of both firms to deliver in a seamless fashion strategic investment consulting advice and investment management execution for plans looking to de-risk and/or outsource all or components of their pension plan. John has been with Integra for 14 years and studied at McMaster University where he received his B.Sc. and holds the CFA and CAIA designations.

**Riley St. Jacques, FSA, FCIA**

Riley is a Senior Consulting Actuary with PBI Actuarial Consultants in Vancouver. He provides actuarial, group benefits, pension and investment consulting services. He has over 14 years of experience in actuarial consulting, advising the trustees and committee members of multi-employer and public sector plans. Riley is experienced in asset-liability management, plan policy design and revision, fund and manager monitoring, investment policy development, funding policy development, and client education work.

Riley has served as a member of the Financial Service Commission of Ontario's multi-employer advisory committee and a past member of the Canadian Institute of Actuaries' Investment Practice Committee and Pension Investment Practice subcommittee. He is a frequent speaker at industry events and conferences on pension, investment and benefit issues for organisations such as the Canadian Institute of Actuaries and the International Foundation of Employee Benefits.

Riley holds a Bachelor of Science in Mathematics and Finance from the University of Alberta. He is a Fellow of the Society of Actuaries, and a Fellow of the Canadian Institute of Actuaries.
