

CPBI WESTERN REGIONAL CONFERENCE 2018

POWER OF
THE **PAST**

FORCE OF
THE **FUTURE**

2018 SPONSORSHIP OPPORTUNITIES

The Canadian Pension and Benefits Institute (CPBI) is a national organization of over 2,800 industry leaders and professionals, representing all sectors of our economy.

ABOUT CPBI

With over 1,000 CPBI members in Western Canada, we anticipate over 150 delegates will attend our conference in April. Sponsors are invited to take advantage of the wide array of opportunities to share new technology and promote best practice solutions by participating in our Innovative Solutions showcase and fair.

We invite you to partner with CPBI and become involved in this exciting event that brings together professionals and industry leaders from public and private sector organizations.

In appreciation of our plan sponsors, we are offering a cost-effective registration package: Early bird registration will include complimentary hotel accommodations, for two nights, on a limited, first come, first served basis.

The Western Regional Conference is a collaboration between the Northern Alberta, Southern Alberta and Pacific CPBI regions.

Thank you for considering our sponsorship opportunities. It is your generous and continued support that makes this conference possible.

To commit to a sponsorship level, contact: CPBI Southern Alberta Regional Administrator
