The Canadian Pension & Benefits Institute (CPBI) Pacific Region is excited to host the Western Regional Conference in one of our favourite locations – beautiful Whistler, BC. This world-class venue has something for everyone and we’re anticipating a fantastic turnout. The conference dates are October 5, 6 and 7, 2016.

Our conference has long been recognized as a significant opportunity for networking and sharing information on pensions, employee benefits and institutional investments, including the industry’s latest developments and trends.

Sponsorship Opportunities

A limited number of marquee sponsorship opportunities are available. Your organization’s position of leadership in the pension, benefits and investments industries is of great influence and we would welcome your participation in the conference as a sponsor.

Our sponsorship program allows us to present speakers and deliver educational workshops of very high quality. Sponsors are appropriately recognized and acknowledged for their contribution to the success of the conference and we strive to ensure that value is returned to our sponsors.
