

Steve Morris

Managing Director and Portfolio Manager,
Liability Driven Investments, Sun Life Financial

Steve Morris is Managing Director and Portfolio Manager, Liability Driven Investments, for Sun Life's Defined Benefit Solutions and Sun Life Investment Management Inc. He is responsible for providing customized Liability Driven Investment (LDI) solutions that help plan sponsors reduce volatility in their defined benefit pension plans.

Steve has over 20 years of experience in the financial services sector. Most recently, he was the General Manager, Fixed Income Investments at the Canada Post Pension Plan. He spent the 14 years prior to that with Sun Life, most recently as Managing Director, Head of U.K. Public Fixed Income.
