Philip A. Falls, MBA, CFA, ICD.D
Senior Consultant, PBI Actuarial Consultants Ltd.

Philip Falls is a Senior Investment Consultant with PBI and has over 30 years of pension and investment industry experience. He is currently consulting to half a dozen pension plans, endowment trusts, and other trust funds across Canada. Philip has been responsible for designing and implementing investment and risk management solutions dealing with plan asset and liability issues. He has significant experience with both conventional and alternative investment assets classes and the design of investment products and strategies.

Philip is the Leader of the Investment Practice and works in Vancouver, BC. Prior to joining PBI, as head of investments for several Canadian corporations and trusts, he advised and made investment decisions for public, corporate and multiemployer pension plans as well as for endowment and insurance funds with a variety of customized investment and risk mandates.

Philip has an MBA (Finance) from the University of Western Ontario, a B. Comm. (Honors Economics) from Concordia University and holds both the CFA and ICD.D designations. Philip is a past Director of the ACPM (Association of Canadian Pension Management) and member of the Pension Investment Association of Canada's (PIAC) Investment Practices Committee. He is currently a part-time instructor (Finance) with the British Columbia Institute of Technology (BCIT)
